

Inspiring the cyber security community

. NET & JAVA DEVELOPERS

THE BEST WAY TO A GREAT CAREER IN CYBERSECURITY

**Do you want to develop user friendly applications without compromising on security?
Join our secure development team and take part in innovative projects!**

Do you recognise yourself below? **Don't wait and apply!** We will get back to you within seven working days.

About us

Founded in 2001, Approach is **the Belgian leader in Cybersecurity**, held by a world-renowned shareholder, building **trust** for businesses in the digital world. Leveraging a large pool of certified professionals in GRC, Cybersecurity and development, we strengthen businesses' cybersecurity and resilience posture by adopting a risk-based and layered security strategy.

Our customer base's diversity offers **our consultants a unique opportunity** to work on **multiple innovative and challenging projects with cutting-edge technologies and tools** according to **their background and interests**.

Our **fast sustainable growth**, our **leading position** and **international ambition** also offer **great internal career opportunities** driven by our practice leaders and career counsellors.

Join Approach and you will become a **member of our Cybersecurity competence centre**. At Approach, we don't view certifications as a marketing artefact. We are **always investing in our talents**, offering training and coaching them to develop their skills. Our people are all **certified professionals who aim to build their knowledge continuously**.

By joining Approach, you will also have the **advantages** of working in a **human-scale company where each individual makes the difference in a healthy and pleasant atmosphere**. Our team counts 100

people and promotes **excellence**, close **collaboration** through regular team meetings, direct communication and feedback, dynamism, and fast decision-making.

Our offices are located in **Louvain-la-Neuve** and the city centre of **Antwerp**, offering you a job next door with either a wide range of amenities (restaurants, fitness centre, childcare nursery...) in a traffic jam free zone or a great view of the Scheldt river.
